**Rick Estrin** ranks among the very best harp players, singers and songwriters in the blues world today. His work on the reeds is deep in the tradition of harmonica masters Sonny Boy Williamson II and Little Walter Jacobs, while at the same time pushing that tradition forward. The Associated Press called his harp playing, "endlessly impressive." His award-winning original songs have been favorably compared with those of Willie Dixon and the team of Leiber and Stoller.

## REVOLVER

**Revolver** does Crosby, Stills, Nash and Young Crosby Stills and Nash and (sometimes) Young are one of the 60's most compelling, enduring and loved composures and vocal groups. Revolver in their 4th Silo's appearance, will perform a tribute to CSN (Y), along with the 3 earlier popular musical groups that spawned them: The Byrds, Buffalo Springfield, and the Hollies.

When **Lynn Asher** takes the stage you know you're in for something special from the moment she launches into her first song. Lynn's power and versatility as an artist/entertainer is a force to be reckoned with. Her love of music from the 60's and 70's is the hallmark of her passionate performances featuring classic tunes by Janis Joplin, Jimi Hendricks, Cream, Led Zeppelin and Jefferson Starship.
